

## Love Is . . .

**Reader 1:** LOVE is patient. Love IS patient. Love is PATIENT.

Love is . . .

**Reader 2:** (interrupting, jumping in front of Reader 1) Love is  
KIIIIIND!

**Reader 1:** Wait a minute! I wasn't through!

**Reader 2:** You're too slow. Besides, I'm better at it. Now go on.

**Reader 1:** It does not envy. . . Hey, what makes you think you're  
better?

**Reader 2:** They wouldn't have asked me to do this if I wasn't the  
best... It does not boast?

**Reader 1:** (Over emphasize and look at reader 2) It is not  
PROUD.

**Reader 2:** It is NOT rude. . . See I am better.

**Reader 1:** It is not self-seeking. Wait a minute! (almost yelling)  
You are NOT better. I can read just as well as you!

**Reader 2:** It is not easily angered. (Quietly) If you yell at me  
again, I'm quitting.

**Reader 1:** Well, you started it.

**Reader 2:** Love keeps no record of wrongs.

**Reader 1:** Well, I guess you got me there. (hug each other)

**Reader 2:** Love does not delight in evil . . .

**Reader 1:** But rejoices in the truth.

**Reader 2:** It always protects.

**Reader 1:** Always hopes.

**Reader 2:** Always perseveres.
